Circular No. : HIS/23-24/P10

Date : 27.9.2023

Dear Parents,

We have previously communicated through several circulars and messages, kindly requesting that you refrain from contacting teachers via phone or WhatsApp after 6 o'clock.

This request is due to the fact that teachers also have their families to attend to, and nowadays, schools are operating in offline mode.

We have established this communication channel to address any serious issues that parents may encounter and wish to discuss with teachers. However, our teachers have encountered difficulties because some parents have been calling them for minor issues even after they have returned home, and there seems to be no set time for these calls.

Some parents are even messaging and calling teachers as late as 12:00 am, causing significant disruptions to their personal lives.

In light of this, we have reached a decision: if parents encounter any problems, they are kindly asked to call the school reception between 8:00 am and 3:00 pm. After this time, they may use WhatsApp to contact teachers until 6:00 pm. Our teachers will respond as soon as they become available. Please note that after 6:00 pm, we will only entertain WhatsApp messages if they pertain to very serious issues.

We sincerely appreciate your cooperation in this matter
